## Districts

[Home](#) » [Divisions](#) » Districts

The Department of Environmental Protection has six district offices, located regionally throughout the state. These district offices review permit applications, conduct inspections of permitted facilities, respond to reports of environmental damage and conduct compliance assistance and enforcement activities.

\*On Jan. 1, 2013, district office boundaries changed. For the counties served by each district office, click on the map below. You may also view a map of the Water Management Districts.
